FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant is a native and citizen of Mexico without legal status in the United States. He has previous immigration violations. His criminal record includes failures to appear. He is associated with alias names, dates of birth and social security numbers. Defendant was not interviewed by Pretrial Services and his background information is unknown or unverified. He does not contest detention.

2. Defendant poses a risk of nonappearance based on his use of alias names and identifiers, history of failures to appear, non-compliance and commission of new offenses while on supervision, pending charges, active warrant, active Immigration detainer, unknown or unverified background information, and he is a citizen of Mexico with no immigration status in the United States. Defendant poses a risk of danger based on the nature of the instant offense, criminal history, protection order, history of non-compliance, and commission of new offenses while on terms of supervision.

3. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.

It is therefore ORDERED:

1. Defendant shall be detained pending trial, and committed to the custody of the Attorney General for confinement in a correction facility;
2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
